**NIEPA Alumni Meet**  
**13 December 2019**  
**A short report/minutes of the Meet**

Professor Sudhanshu Bhushan, Incharge, NIEPA Student Affairs and Director of NIEPA IQAC-convened and coordinated an Alumni Meet of MPhil and PhD graduates of NIEPA on 13 December 2019. Professor N.V. Varghese, Vice-chancellor NIEPA, chaired the meet. The meeting was organized with the purpose of discussing NIEPA-Alumni collaboration and steer the alumni towards organisation of a formally registered Alumni Association. Professor Sudhanshu Bhushan welcomed the alumni and the faculty and apprised the gathering of the purpose of the meet.

In his address Professor Varghese highlighted the important role that alumni can play in development of institutions. Through its alumni association, NIEPA envisages to encourage alumni to have a continuing engagement not only with their individual supervisors but also with NIEPA. In the times where the institutions are under pressure of delivering employability skills to their students, NIEPA takes pride in the fact that all its alumni are employed.

Professor Kumar Suresh, Registrar (I/C) mentioned that the meet is an enabling gesture by NIEPA and the alumni will take over the alumni association tasks in due course. Professor Bhushan thanked Dr. Aarti Srivastava for developing the draft constitution of the proposed Alumni Association of NIEPA (AAN). He requested the alumni present to spread the word about the initiative in their network of NIEPA alumni. Several faculty members and 25 alumni attended the meeting (list is appended). The following decision were taken:

1. A core team is proposed to be elected from the group of alumni present at the meet. This team will have the following mandate:
  - i) Finalisation of the constitution of AAN
  - ii) Network with the NIEPA alumni
  - iii) Convene a meeting of the alumni at NIEPA to hold the AAN elections latest by the first week of February 2020 so that the AAN can be formally registered before the end of March 2020.
  - iv) The membership drive will be started alongside and on the day of the election by the core team. Later on, membership drive will be taken up by the elected office bearers of the AAN.
2. The VC will appoint a faculty advisor for AAN by the end of December 2019.
3. Dr Anupam Pachauri will develop the minutes of the meet
4. The registrar will send the minutes to the core team and the members present at the meet via email for wider circulation.
5. The core team will circulate the minutes in the wider network of the NIEPA alumni.
6. The office of Professor Bhushan will facilitate by providing emails and phone numbers of the alumni to the core team.

The core team members thanked the participants and reiterated that the formal organization of AAN is also about the collective pride of the alumni due to their association with an illustrious institution like NIEPA. Members also presented examples of several ivy league universities where alumni associations play a decisive role in the governance of the institutions including selection of the university presidents. Several institutions in India seek feedback from their alumni about the academic programme leading to programme revision and improvement. Suggestions from the alumni present at the meet included organisation of social events for strengthening the bonds amongst the alumni and with the institution.

Professor Bhushan congratulated the elected core team and thanked the faculty and alumni present at the meet.
