**Response to:** In what ways do you think NIEPA alumni can contribute to the development of NIEPA? (Mention any three)\*

**Curriculum and Syllabus:** NIEPA offers interdisciplinary training with exposure to qualitative and quantitative methods. Regular seminars and conferences keep knowledge updated.

**Research Orientation:** NIEPA has a strong research focus with rigorous research work, a rich library, and highly intellectual faculty. It encourages research from a policy recommendation standpoint and offers exposure to different programs related to key educational issues.

**Financial Aid:** NIEPA offers significant financial aid, including scholarships, and provides practical experience through direct involvement in policy-making processes.

**Academic and Research Exposure:** The institution has a good academic and research reputation, with a multi-disciplinary approach. It provides a solid foundation for becoming an educational professional.

**Library and Documentation:** NIEPA boasts a rich documentation repertoire and supportive faculty.

**Work Culture and Environment:** It offers a sophisticated work culture with a personal touch and fosters a supportive and inclusive atmosphere, possibly due to its small campus setting.

**Distinctiveness:** NIEPA stands out due to its focused expertise in educational planning and administration, commitment to research and publications, and blend of academic, field reality, and empirical research.

Overall, NIEPA is known for its academic excellence, research focus, supportive environment, and contribution to the field of educational planning and administration.

**Response to:** Any other comment/ Suggestions (Mention any three)

The alumni of NIEPA have expressed several suggestions and concerns:

**Ph.D. Research Support:** There's a need for a support group to assist Ph.D. researchers.

**Enhanced Research Methodology Sessions:** Alumni suggest more sessions on research methodologies, including qualitative, quantitative, and mixed methods.

**Alumni Engagement and Interaction:** There's a desire for increased interaction between current and former students, involvement of alumni in academic activities, and sharing information about seminars/conferences.

**Degree Equivalence and Recognition:** Concerns about degree equivalence and recognition in job interviews, especially related to specific fields of study like economics.

**Institutional Goals:** Suggestions include aiming for university status, forming an alumni association, and maintaining connections with former students.

**Improved Communication:** Alumni desire better communication regarding conference details and opportunities.

**Enhanced Curriculum and Internship Opportunities:** Suggestions include introducing more policy/data analysis programs and meaningful internships with diverse organizations.

**More Opportunities for Young Scholars:** Calls for organizing seminars or conferences dedicated to young research scholars and facilitating connections with other institutions.

**Encouragement for Publications:** Encouragement for scholars to publish in reputable journals and advocate for their research papers.

**Alumni Activities:** Suggestions for regular gatherings, specific programs for alumni, and proactive communication of the alumni association's plans.

Overall, the alumni are keen on enhancing academic and research experiences, fostering alumni engagement, and ensuring the institution's continuous improvement and recognition.
