Fig 9: Do you have specific concerns or areas for improvements regarding the overall well-being and development of students at the NIEPA?

10. What suggestions do you have for enhancing the parent involvement and engagement with the college community? (Open house events/ Parent workshops/ online forums and discussions)

The importance of online forums and discussions is highlighted, emphasizing their accessibility compared to other forms of engagement such as training workshops and parental involvement. It suggests that providing motivational support to students from professors and encouraging parental engagement, as previously done, is beneficial. However, online forums are favoured due to their convenience and ease of attendance compared to other methods.
