# Leadership Capacity Building Programme for College Principals of Andhra Pradesh

(02-07 January 2023)

## Background

Higher education in India has expanded rapidly and reached a massification stage with a Gross Enrolment Ratio (GER) of 27.1 percent. The higher education providers in India consist of 1043 universities, 42343 colleges, and 11779 stand-alone institutions, enrolling 38.5 million students and employing 1.5 million teachers. In the higher education sector, colleges, both Undergraduate and postgraduate, play a vital role. Colleges enrol a large segment of students and act as the most preferred destination for many first-generation learners of higher education. Colleges are pivotal in catering to the educational needs of learners from rural regions, as 60.56% of colleges are located in rural areas. Colleges also play a significant role in ensuring equity and inclusion in education. For example, 10.75% of colleges are exclusively for females. In a nutshell, the success of higher education in India is linked directly to the quality of college education.

Principals, along with the faculty, play a significant role in making and shaping any college and ensuring its academic credibility and success. College principals play multiple roles that include but are not limited to providing strategic leadership, managing the institution within the ambit of university governance, shaping academic structures and policies, coordinating with the affiliating university management, and managing and mobilizing resources. The success and credibility of colleges are often correlated with competent, enthusiastic, and energized principals. Not only this, college principals are supposed to develop institutions of excellence in the wake of changes occurring in the education scenario at the national and global level. The National Education Policy 2020 also states that 'effective leadership leads to the formation of world-class institutions and is a must for raising the standards of higher education in the country.' College principals are destined to act as a catalyst for nurturing national values and ethos among learners and preparing them as future leaders to lead an inclusive, equitable, and sustainable society.

The role of college principals becomes more significant in fulfilling the expectations of National Education Policy 2020. The prime expectations of NEP 2020 from college principals are creating world-class multidisciplinary institutions, increasing the Gross Enrolment Ratio to 50% by 2035, promoting holistic and multidisciplinary education, and incorporating more vocational subjects and soft skills-based courses. NEP 2020 envisions that colleges will bring flexibility in curriculum, offer novel and engaging course options to students, move towards a pedagogy emphasizing communication, discussion, and debate, promote research, introduce a flexible and innovative curriculum, ensure holistic and multidisciplinary education, embrace blended learning, and

operationalize Academic Bank of Credits (ABC) to digitally store the academic credits earned by students from various recognized HEIs. In the wake of these varied expectations, the role of college principals becomes vitally significant. The college principals are supposed to work proactively to meet the changes and challenges emerging at the national and global levels in the governance and delivery of higher education.

To support the college principals in the mammoth task of revamping and transforming education in their college, the National Institute of Educational Planning and Administration (NIEPA) is organizing a Leadership Capacity Building Programme for College Principals of Andhra Pradesh. The programme aims to develop leadership capabilities for college principals. This leadership development program focuses on extending support mechanisms and helping college principals to excel, both personally and professionally, in their roles and organizations. This programme aims to capacity building of college principals for promoting equitable access, ensuring quality education, improving standards of undergraduate education, promoting research, bringing flexibility and choice in the programmes, introducing emerging teaching-learning pedagogies, improving provisions of infrastructure and facilities, tackling governance and management issues, maintaining institutional autonomy and academic freedom, adhering to the regulatory system, and ensuring the optimal functioning of their colleges. In addition, the programme will equip the college principals to make policy interventions, initiate educational reforms, and build an eco-system for nurturing social responsibility and community engagement among students.

## **Programme Objectives**

The primary objectives of the programme are to build the capacities of principals to:

- Implement the significant recommendations of NEP 2020 at the college level.
- Develop and implement college development plans.
- Prepare a plan for promoting multidisciplinary education and introducing multiple entry and exit in their colleges.
- Ensure holistic development of learners and create a viable opportunity for sustainable knowledge building and research in their colleges.
- Embrace blended learning and digital initiatives in education and initiate skill-based education in their colleges.
- Mobilize resources and create an eco-system for quality-driven outcome-based education in their colleges.

## **Programme Themes**

The programme will orient the principals to:

- Integration of Indian knowledge system
- Multidisciplinary education and multiple entry and exit

- Institutional development plans
- Academic bank of credits and Digi locker
- Blended learning, MOOCs, and Learning Management Systems (LMS)
- Digital initiatives in education and collaborative tools
- Organizing Internships
- Outcome-based education
- Research promotion
- Vocational and skill-based education
- Resource mobilization
- Industry-institution linkages
- Equity and Inclusion
- Social responsibility and community engagement
- Total quality management

### **Program Transaction**

The programme will be transacted following the outcome-based approach to education.

- The programme will help participants apply the gained knowledge and competencies for the betterment of their respective colleges.
- The participants will be provided exercises and activities to work on, and ample opportunities for communication and sharing.
- Each session will include presentations and discussions. Group work activities, case studies, practical tasks, and assignments will also constitute an integral part of session transactions
- A google classroom will be created for the programme participants. Both participants and resource persons will be part of the classroom. This classroom will be used to share study materials, give and submit assignments, and conduct assessments.

### **Programme Venue**

The programme will be held from January 2-7, 2023. The programme will be conducted in the face-to-face mode in Room No. 212 at NIEPA, New Delhi.

### **Programme Schedule**

The program will commence on Monday, January 2, 2023, at 9.00 AM with the registration of participants and conclude on Saturday, January 7, 2023 at 1730. The tentative timetable is given in Annexure-I.

## **Programme Management Team:**

The programme is being organised by NIEPA in collaboration of the Commissionerate of Higher Education, Government of Andhra Pradesh. Prof. Sudhanshu Bhushan, VC (I/c) has been instrumental in taking initiative and giving shape to this collaborative programme. Different committees consisting of the faculty and staff have been constituted for smooth conduct of 5 sets of programmes. Training Cell headed by Shri Chander Prakash shall facilitate the conduct of the programme.

**Programme Director:** Prof. Kumar Suresh, Professor and Head, Department of Educational Administration, NIEPA. He is being supported Ms. Rita with her Secretarial assistance and project staff namely Mr. Prince Verma and Ms. Puja Jha in different activities

**Programme Coordinator:** Prof. Aarti Srivastava, Professor, Department of Higher & Professional Education

**Visit to Colleges of University of Delhi:** Prof. Manisha Priyam, Professor Educational Policy and Dr. Garima Mallik, Assistant Professor, CPRHE

## **Resource Persons**

Resource Person for the programme consists of both NIEPA faculty as well as outside experts. The list of resource persons is given in Annexure-II.

## **Participants**

Principals of Colleges from Andhra Pradesh. List of the Participants attached as Annexure-III

## **Boarding and Lodging Arrangements**

Arrangements for boarding and lodging of participants have been made by NIEPA, New Delhi in NIEPA Guest House.

## **Guidelines for Participants**

Every participant will be required to bring a fully functional laptop.

- The participants will be required to work individually and in groups and to participate actively throughout the program.
- Every participant will be expected to complete all the assigned activities and submit proof of successful completion.
- The completed activities of the participants will be assessed by the experts, and only those completing all the assigned activities will be provided the certificate for participation.
- The participants shall take adequate care to prevent the spread of Covid-19. The participants shall adhere to Covid-19 appropriate behaviour and prevention norms

# Programme Schedule

Annexure-I

## Leadership Capacity Building Programme for College Principals of Andhra Pradesh

<b>Day 1: January 2, 2023</b>		
(9.00-9.30)	Registration of the participants	
Session 1 (9.30-10.30)	<b>Inaugural Session</b> <b>Invited Guests and Dignitaries (TBC)</b> <b>Inaugural Address:</b> Integrating Indian Knowledge System- <b>Sh. M.C. Pant,</b> <b>Chancellor NIEPA</b>	
<b>High Tea (10:30-11.00)</b>		
Session 2 (11.00-12.00)	Implementing NEP 2020: A Roadmap	<b>Prof. Kumar Suresh</b>

## Chancellor & Vice-Chancellor NIEPA

### **Shri Mahesh Chandra Pant**, *Chancellor, NIEPA*

Shri Mahesh Chandra Pant holds a Masters' degree in Physics and Diploma in Educational Planning and Administration. He has held several high profile positions and contributed substantially to the educational reforms in India.

As the Chairman of the National Institute of Open Schooling (NIOS), he took significant steps to put the open schooling system in India on a sound pedestal.

As Director of Education in U.P. and Uttaranchal he made substantial changes in the administration and management of School Education in these two States.

As Chairman of the Basic Shiksha Parishad, he initiated steps to develop new curriculum for the primary schools.

Prepared and implemented the District Educational Plans and submitted proposals for state sector allocation in education to the state government. The minute details of plan process commencing from collection of data and identifying local specific needs to meet the long-, medium- and short-term goals were taken into account. Among other things, these included the availability and allocation of resources and time, planning for successful implementation of different action plans to achieve the required goals.

Worked as Educational Planner and Administrator at District Level in the capacity of Basic Shiksha Adhikari as well as District Inspector of Schools.

Acquired profound knowledge of question paper setting, evaluation and different related areas of learning. The experience gained was used while working as an educational administrator and as a Principal of Intermediate College in remote area of Nainital District.

Introduction of Innovative scheme "Rajeev Gandhi Navodaya Vidyalaya" to identify talented children from remote and rural areas of state of Uttaranchal and provided the Residential quality schooling facilities to them.

The rich experience acquired in teaching, school administration, preparation of institutional plans, development of curriculum and instructional materials, and monitoring and supervision of educational programmes was reinforced while working as the Director of Education in Uttar Pradesh and Uttaranchal.

**Prof. Sudhanshu Bhushan**, *Vice-Chancellor (I/c), NIEPA*

Professor Sudhanshu Bhushan is specialized in Internationalisation of Higher Education, Policy issues in Higher Education and Educational Planning. His recent contributions include Quality Assurance of Transnational Higher Education: Australia and India Experiences, Public Financing and Deregulated Fees in Indian Higher Education, and Restructuring Higher Education in India. He is the co-editor of the book on Teaching and Learning in Higher Education and Restructuring Higher Education in India and Australia published by Routledge in 2018. His book on The Future of Higher Education in India has been published by Springer in 2019. He is the recipient of Amartya Sen Award 2012 for distinguished Social Scientist, an award instituted by Indian Council of Social Science Research, New Delhi.

# List of Resource Persons

## Part-A

### External Resource Persons (Alphabetical Order)

**Prof. S. P. Aggarwal**, *Principal*  
Ramanujan College, Delhi University

Prof. S.P. Aggarwal hold MBA and Doctoral degree from USA. He specializes in finance and management. A large number of publication in national and international journals are to his credit. He has been discharging a number of academic and administrative responsibilities. He is director, teaching-learning PMMMNMTT Ministry of Education, Govt. Of India. He is Editor-in-chief of the journal RIJBR. He is also chairman of the Deen Dayal Upadhyay Kaushal Kendra (Scheme of UGC). While discharging the responsibility as a principal he has taken a number of initiatives and broad laurel to the college.
