Endowment

Introduction

Endowment portal helps alumni, friends and society to give back to the society by smoothing the process of contribution and managing them.

- **What does an Endowment do?**

  - An endowment links past, current, and future generations.

  - It allows an institution to make commitments far into the future, knowing that resources to meet those commitments will continue to be available.
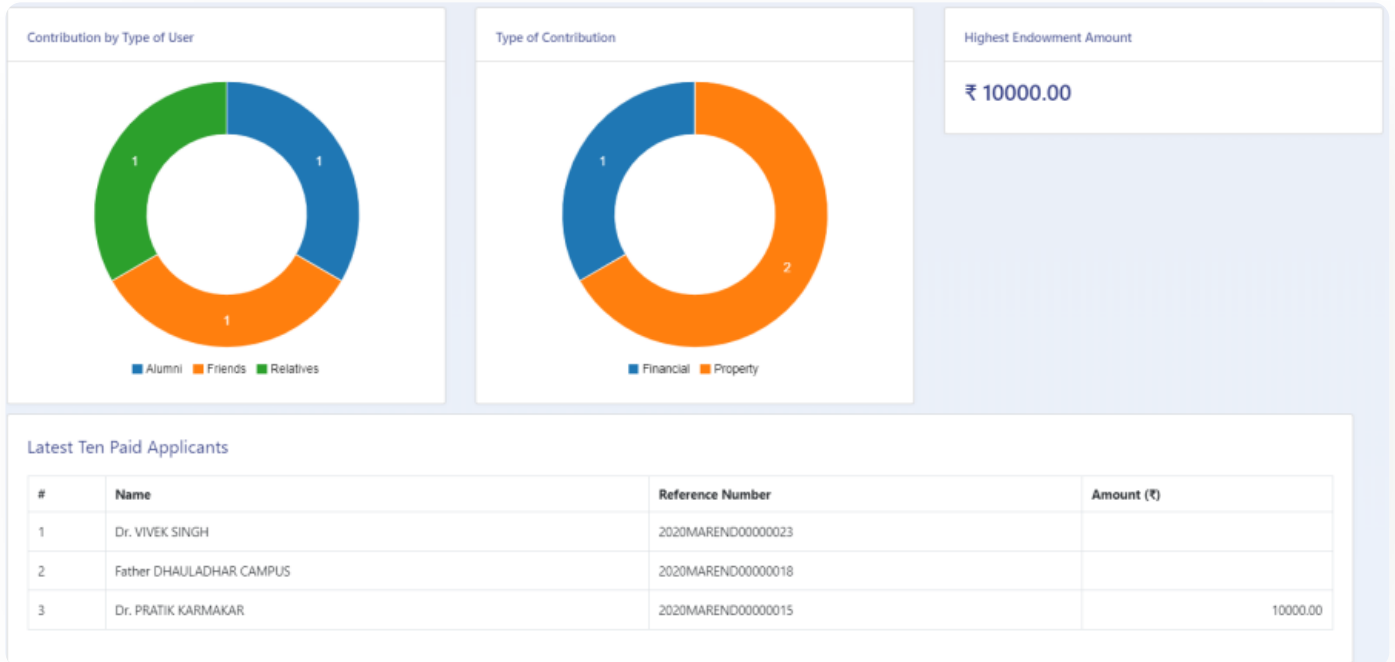

- **Endowments serve institutions by:**

  - Providing stability

  - Leveraging other sources of revenue

  - Encouraging innovation and flexibility

  - a degree of confidence for the future.
