

Training Programmes

2010-11

National University of Educational Planning and Administration
17-B, Sri Aurobindo Marg, New Delhi-110 016 (INDIA)

About the University

The National University of Educational Planning and Administration (NUEPA) is actively engaged in teaching, research and advisory services in the areas of educational policy, planning and administration. The core activities of the University include: providing technical support to Central and State Governments in educational policy and planning; organizing professional development programmes including an M. Phil.-Ph. D. programme and two diploma programmes in educational planning and administration addressed to national and International mid-level education professionals; research in all aspects of school and higher education; advisory services to national and international organizations; clearing house for dissemination of knowledge and information; and providing a forum for exchange of ideas and experiences among policy makers, planners, administrators and academics.

As part of its professional development activities, NUEPA conducts, every year about fifty professional programmes. It includes long-term and short-term training programmes, seminars, conferences and meetings of senior national and international education policy makers, planners and administrators. It offers two (six month) diploma programmes in educational planning and management - one each for national and international participants. On an Average, each year, about thousand five hundred senior planners and administrators participate in these programmes. NUEPA uses a combination of modern methodologies in training delivery including structured presentations, practical work, syndicate work, case studies, group discussions and modern audio-visual methods. All training programmes are supported by professionally developed training material.

Objectives and Activities

- To organize pre-service and in-service training programmes in the area of educational planning and administration and allied disciplines;
- To undertake, aid, promote and coordinate research in various aspects of educational planning and administration and allied disciplines, including comparative studies in planning techniques and administrative procedures in different States/UTs of India and in other countries of the world;
- To organize orientation and training programmes and refresher courses for University and College administrators connected with educational planning and administration;
- To develop networking of Institutions engaged in identical task as that of this University and to play supportive and collaborative role so that States/UTs and regional level institutions are gradually undertaken by them;
- To organize orientation programmes, seminars and discussions groups for top level persons, including legislators, in the field of educational planning and administration of policy making level in Central and State Governments;
- To provide academic and professional guidance to agencies, institutions and personnel engaged in educational planning and administration;
- To offer, on request, consultancy service to State Governments and other educational institutions.
