

eGovernance Initiatives at NIEPA

2) Finance and Accounts

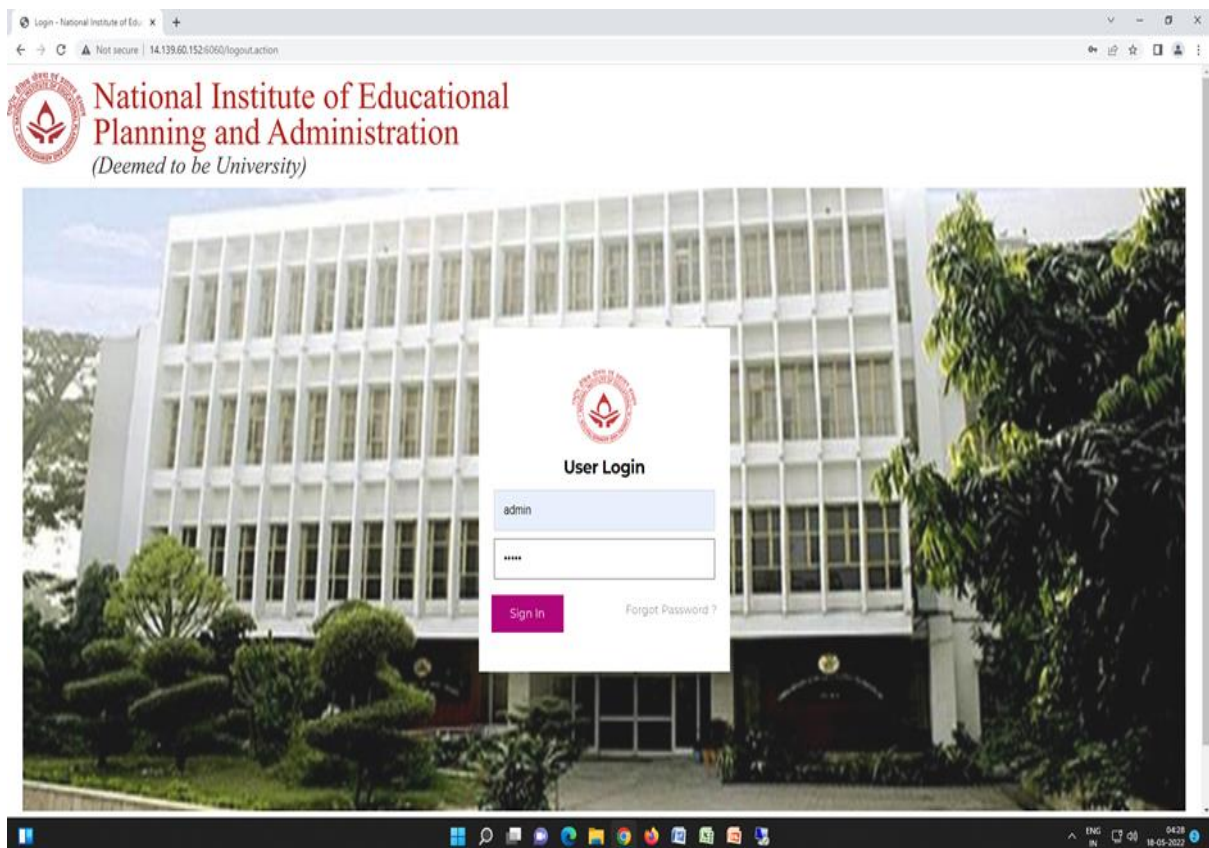

The following E Governance Initiatives have been implemented at NIEPA

1) Cloud based Payroll ERP Module

The University has implemented the cloud based Payroll ERP Module since February 2021. The module is used to create the salary for the Permanent, Temporary/ Project Staff and monthly pensions for the retired employees.

The Module is having the following components

- Income tax calculation
- NPS ,LIC etc Deductions
- Electronic Pay Slip generation for Permanent/Project Staff/Pensioners
- MIS reports for the Audit
- Automatic Salary Processing
