DATABASE ON EDUCATION

A comprehensive database of elementary schools of India - popularly known as District Information System of Education (DISE) has been created at the University. It has also launched a project for the vertical expansion of DISE with a view to develop a similar kind of database for secondary and post-secondary education.

PUBLICATIONS

NUEPA brings out a quarterly Journal in English, namely *Journal of Educational Planning and Administration (JEPA)* and *Pariprekshya* in Hindi. It also brings out a bi-annual Newsletter - the Asian Network of Training and Research Institutions in Educational Planning (*ANTRIEP*). In addition to these academic journals, research findings are disseminated through a variety of publications, such as Reports, Research Monographs, Occasional Papers and Books.

MAULANA ABUL KALAM AZAD CHAIR

NUEPA has created Maulana Abul Kalam Azad Chair as an appropriate tribute to India's first Education Minister.

NATIONAL FELLOWS

In order to enrich the academic programmes of the University, experienced academics are identified and invited for the positions of National Fellows.

NETWORKING WITH NATIONAL AND INTERNATIONAL LEVEL INSTITUTIONS

Keeping pace with today's world of knowledge, the University has successfully created networks as well as co-operation agreements with educational institutions for providing varied opportunities for disseminating and sharing educational researches and innovations. This networking not only encompasses the National and State Level institutions within the country but also networking at the International level through Asian Network of Training and Research Institutions in Educational Planning (ANTRIEP), with 20 member institutions from 10 countries in the Asian Region, for providing a forum for horizontal linkages among Planning and Management institutions.

NUEPA CAMPUS

NUEPA has a modern self-contained office building, with conference rooms, rooms for organizing programmes and classrooms for

research scholars. The University has two computer centers, with latest computer facilities and broadband internet connectivity, for all the members of staff of the University. NUEPA also has a multi-storied hostel with 60 fully furnished air-conditioned rooms.

A second campus of the University, with modern facilities and infrastructure, is proposed to be set up in Delhi to accommodate increasing demand from students for various programmes.

LIBRARY

The University has a specialized library and documentation centre, with approximately 60,000 books on educational planning and management, and subscribing to around 250 Indian and Foreign Journals, and academic periodicals regularly. The library is computerized and provides on-line access to various referencing resources. As a member of DELNET, it has the facility of inter-library loan service.

Our vision...

Evolving a humane learning society through advancement of knowledge

Our Mission...

To become a centre of excellence in educational policy, planning and management by promoting advanced level teaching, research and capacity building in national and global contexts

THE NATIONAL UNIVERSITY

The beginnings of the National University of Educational Planning and Administration (NUEPA) can be traced back to the year 1962 when the Asian Institute of Educational Planning and Administration was set up by the Government of India under a 10-year agreement with the UNESCO for the purpose of training senior educational planners and administrators in the Asian Region. The Asian Institute was taken over by the Government of India on the expiry of the agreement with UNESCO and re-designated as the National Staff College for educational planners and administrators. In 1979, it was again re-named as the National Institute of Educational

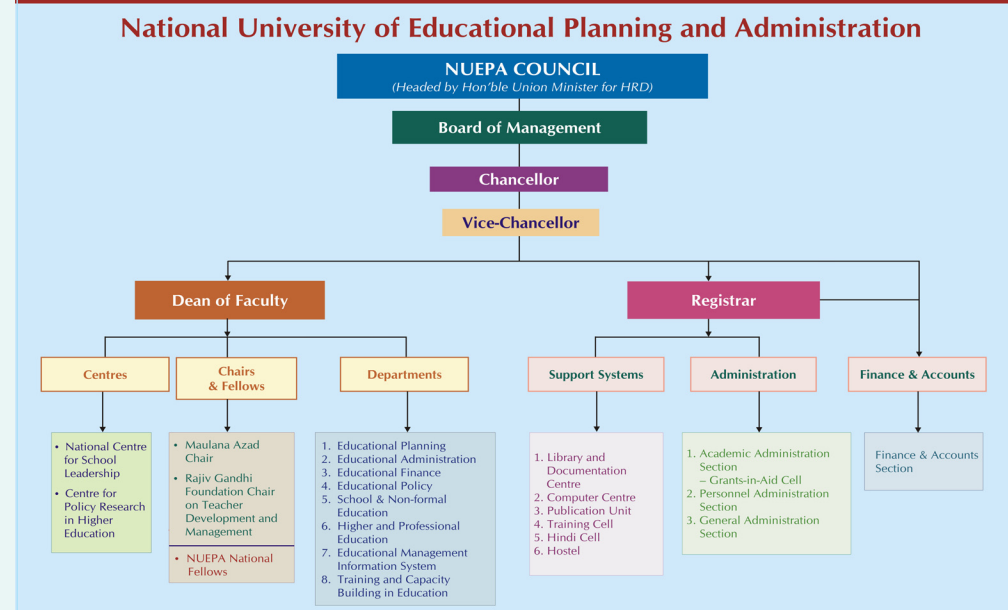

Planning and Administration. In recognition of the pioneering work done by the organization in the field of educational planning and administration, the Ministry of Human Resource Development, Government of India empowered NUEPA to award degrees by conferring on it the status of University in August 2006 under Section 3 of the UGC Act, 1956.

FUNCTIONS

The National University of Educational Planning and Administration (NUEPA) is actively engaged in teaching, research and advisory services in the areas of educational policy, planning and administration. The core activities of the University include:

- Providing technical support to Central and State Governments in educational policy and planning;
- Organizing professional development programmes in educational planning and administration for educational professionals of the country;
- Developing expertise among young scholars through programmes of M. Phil. and Ph. D., as well as other capacity building activities;
- Conducting research in all aspects of school and higher education;
- Extending advisory services to national and international organizations;
- Functioning as a clearing house for dissemination of knowledge and information; and
- Providing a forum for exchange of ideas and experiences among policy makers, planners, administrators and academics.

Organizational Set-up

ACADEMIC STRUCTURE

The academic structure of the University comprises Departments, Centres, special Chairs and technical support units, which are responsible for the development and execution of activities relating to their respective programmatic thrust areas.

The Academic Departments of the National University are : (i) Department of Educational Planning;

(ii) Department of Educational Administration; (iii) Department of Educational Finance; (iv) Department of Educational Policy; (v) Department of School and Non-Formal Education; (vi) Department of Higher and Professional Education; (vii) Department of Educational Management Information System; and (viii) Department of Training and Capacity Building in Education.

RESEARCH

Over the years, NUEPA has emerged as a leading centre of research in education. Findings of research studies undertaken by the faculty are further used to enrich the transactions in both the M. Phil. and Ph.D. Programmes as well as professional development programmes. NUEPA engages in real-time research database. The research explorations of the faculty and the research scholars cover a wide range of areas. The areas identified for research are based on national priorities and concerns, and attempts are made to generate empirical information directly from the field.

TEACHING AND LEARNING

NUEPA is a learning organization, striving to achieve excellence in teaching and learning imparted through its professional development programmes. As part of its professional development activities, NUEPA conducts, every year, about 50 capacity building programmes, seminars, conferences and meetings of senior national and international education policy makers, planners and administrators. On an average, each year, about 1500 senior planners and administrators participate in these programmes.

M. PHIL. AND PH. D. PROGRAMMES

The National University offers M. Phil and Ph.D. programmes from a broader inter-disciplinary perspective since 2007. NUEPA also provides generous financial support through fellowships to its students and scholars.

POST-DOCTORAL FELLOWSHIPS

The University offers Post-Doctoral Fellowships in Educational Policy, Planning and Administration for duration of upto two years to eligible candidates having Ph. D. degrees in the related areas. The fellowship is open to both fresh degree holders and persons already employed.
