National University of Educational Planning and Administration
17-B, Sri Aurobindo Marg, New Delhi-110016

FACULTY RECRUITMENT ON CONTRACT/DEPUTATION
(Online applications)

The National University of Educational Planning and Administration (NUEPA), established by the Ministry of Human Resource Development, Government of India, is a premier organization dealing with research and capacity building in planning and administration of education, not only in India but also in South Asia. In recognition of the pioneering work done by the organization in the field of educational planning and administration, the Government of India has upgraded it to the status of a National University. Like any Central University, NUEPA is fully maintained by the Government of India. NUEPA being an academic institution, is actively engaged in research, training, consultancy and extension in educational planning and administration at all levels of education. Besides, it also acts as a clearing house for dissemination of knowledge through seminars, workshops, conferences, publications, etc.

The University has openings for various faculty positions in its centres, Centre for Policy Research in Higher Education, National Centre for School Leadership, Department of Educational Management Information System and newly established School Standards and Evaluation Unit for a period of 3 years (12th Five Year Plan period) at the level of Professor (37,400-67000 + AGP 10,000), Associate Professor (37,400-67000 + AGP 9,000) and Assistant Professor (15600-39100 + AGP 6000).

Incumbents are required to undertake both teaching and supervision at M Phil. and Ph. D. levels. Besides, they are also required to undertake intensive research and training at school and higher education levels.

Centre for Policy Research in Higher Education

The Centre for Policy Research in Higher Education (CPRHE) is established as a specialized centre to promote policy research and support policy and planning in higher education in India. The Centre analyzes trends in higher education development; promote research to generate reliable information base for policy; help develop long-term perspective plans at the Centre and state levels; and encourage policy dialogues involving national and state-level education policy makers.
