The Institute

The National Institute of Educational Planning and Administration (NIEPA) is a premier organization engaged with capacity development and research in policy making, planning and administration of education. The Institute was established by the Ministry of Education, Government of India. The Institute is an apex national institution of educational planning and administration and is actively engaged in educational research, training and consultancy.

The core activities of the Institute include training of educational planners and administrators; research; consultancy services at national and international levels; clearing house for dissemination of knowledge and information; and providing a forum for exchange of views and experiences between practicing educational administrators, planners and academics. In addition to its multifarious activities, the Institute also offers a number of Research Programmes namely Post Graduation, Ph.D. and Post-Doctoral Programmes in educational policy, planning, finance and administration from a broader interdisciplinary social science perspective.

International Programme in Educational Management for Educational Administrators (IPEM)

This programme will enable the educational administrators to keep abreast recent developments in the field of educational management with reference to the changes in the world. It would also facilitate to explore possibilities for adapting innovations and changes which have been implemented and are successful in other countries. The relationship between education and development in achieving the global Sustainable Development Goals (SDGs) is discussed in the context of participating countries.

The focus is on critical areas of education, which are of concern to the developing countries. The learners will be introduced to attain competence across a spectrum of relevant themes and its application in the local context. Exchange of ideas in group work presentations, on a variety of subject matters and issues important to the field of capacity development serves as the strength of the Programme.

Objectives

To accomplish the aim stated above the Programme objectives broadly aim at sharing experiences in the field related to educational administration, management and leadership among the participants with a view to:

1. Enable the trainees to have a general perspective of the process and organizational set-up of educational administration at various levels in the developing countries
2. Acquire a clearer understanding of various problems and issues particularly in the context of the multi-level character of educational administration adapted in the developing countries
3. Acquaint the trainees with the concept and procedures of administration and institutions at different levels
4. Reflect and discuss methods to enhance managerial and leadership capabilities.

Eligibility

1. Educational personnel engaged in the planning and administration of school sectors of education at the national, provincial, district or institutional level and also at the system level (i.e., Ministry of Education or Directorates of Education) are eligible.

2. Heads of educational institutions, regional and district education departments, teacher-training colleges who are likely to assume higher responsibilities in educational planning and administration.

It may kindly be noted that school and university teachers and other educational staff are not eligible for this programme.

Language

English is the medium of instruction. A satisfactory knowledge of English language (both spoken and written) is necessary.

Enrolment Procedure and Funding

The total number of thirty seats are available that are allotted on specified selection criteria. The nominations should reach NIEPA as early as possible, but not later than **25 August 2026** as per procedure given below.

Application of the candidate in the prescribed form must be routed through the respective national government. All official applications will be reviewed from the academic perspective by NIEPA. Eligible participants will be enrolled subject to the clearance from the Government of India.

Indian Government provides financial assistance under the Indian Technical and Economic Cooperation (ITEC) scheme through the Ministry of External Affairs, Government of India. The entire expenses of candidates nominated under Government of India schemes are paid directly by the Government to the Institute.
